

PRESIDENT MAY LEAVE DENVER NEXT FRIDAY

HAS EXTENSIVE MEDICAL EXAM BY HEART SPECIALISTS TODAY

DENVER, Nov. 7 — (UP) — President Eisenhower this morning underwent an extensive medical examination to determine how fast and how actively he can resume the full reins of the presidency.

The best educated guess before the doctors emerged from his Fitzsimmons Army Hospital room was that the President could fly back to Washington on Friday. But, pending a definite medical report there was a small possibility that the President might remain here in the Rocky Mountains beyond Nov. 11.

Dr. Paul Dudley White, the Boston heart specialist, flew here from the East late Sunday to join Mr. Eisenhower's large medical staff in a "wind-up" or re-evaluation of his clinical progress in the last two weeks.

White saw the President Sunday night and again this morning. The Boston doctor was scheduled to make a public report today at the Denver White House on Lowry Air Force Base between 10:30 and 11:00 a. m. MST, 12:30 and 1:00 p. m. EST.

While the people around the President talked confidently of his departing from Denver on Nov. 11, the question had not been raised with the President, himself—as of Sunday night.

Mr. Eisenhower over the week end started trying small steps, according to the doctors. They said the reaction was medically fine. But the Chief Executive was dead set against being lifted into his plane next Friday and his conquest of stars did not indicate an energetic stride up the ramp to his plane.

During the medical consultation of Sunday evening and this morning, the President planned to make his own decision about leaving Denver.

The robbery occurred about 7:50 a. m. at the Citizens Bank of Hebron.

Cashier Robert McGinley, 54, was missing after the robbery and bank employees said they believed the bandit sped off with McGinley and the robber's woman accomplice, leaving McGinley's wife Ruth tied up in the basement of the couple's home.

State Police set up roadblocks in search of a getaway car described as a light green DeSoto bearing Indiana license plates XX-1648. They said it was seen headed south on Ind. 53.

ENVOYS AWAIT NEW PROPOSAL FROM KREMLIN

MOLOTOV ABSENT FROM GENEVA SESSIONS DURING WEEKEND

GENEVA, Nov. 7 — (UP) — Big Four conference sources predicted today Soviet Foreign Minister Vyacheslav M. Molotov would return from Moscow with new proposals that could break the current deadlock on German unity.

Molotov took advantage of a three-day conference recess to fly home to Moscow for consultations with the other Kremlin leaders. All three Western foreign ministers also were absent from Geneva.

Secretary of State John Foster Dulles flew to Yugoslavia where he and Marshal Tito reached an "accord" that Soviet satellite states should be free. British Foreign Secretary Harold MacMillan flew to London for conferences with Prime Minister Anthony Eden on the Middle East and other problems. French Foreign Minister Antoine Pinay returned to Paris for decisions to restore Sultan Sidi Mohammed Ben Youssef to the Moroccan throne.

The unofficial reports said Molotov was expected to return with new proposals on German unity and all-German elections that would go at least part way toward meeting the West. The Western Big Three and West Germany proposed Friday that free all-German elections be held in September 1956.

The reports here said Molotov may accept the idea of free all-German elections sometime in the near future without agreeing to the September 1956 deadline proposed by the West.

Western diplomats believed such a "concession" if it should come would be designed to put the West on the spot with demands for similar "concessions" on its side rather than with a red intention of reaching a cold war peace settlement in Geneva.

SOVIET MARK ANNIVERSARY OF REVOLUTION

CELEBRATION IS HELD IN RED SQUARE AT MOSCOW

MOSCOW, Nov. 7.—(UP)—Soviet Defense Minister Georgi Khukov called today for "vigilance" and "battle preparedness" in a Communist Revolution anniversary celebration marked by the appearance over Red Square of a "mighty airborne battleship."

Marshal Zhukov reviewed the Soviet armed forces in a great parade of Red Square marking the 38th anniversary of the October Revolution.

A giant jet bomber escorted by swept-wing jet fighters streaked overhead following Zhukov's speech at the mausoleum of Stalin and Lenin.

Earlier First Vice Premier Lazar Kaganovich, in a speech before Soviet and Communist Party leaders at the Bolshoi theater, declared that the 20th century will see the triumph of Communism throughout the world.

"Under the banner of Marx, Engels, Lenin and Stalin we have triumphed and will continue to triumph to full victory for Communism," Kaganovich said.

Zhukov spoke to thousands of troops and citizens massed in Red Square. He said the Soviet Union continues "unflinchingly and consistently to struggle for the cause of peace throughout the world."

The goodwill shown at the Geneva summit conference has led "to a certain relaxation in international tension," he added, but he warned sailors, soldiers and airmen not to relax their guard.

"While strengthening the cause of peace, the Soviet people do not forget that there are reactionary forces in certain capitalist countries which are striving not toward the relaxation but the exacerbation of international tension and are trying to wreck the cause of peace," he said.

key to happiness

"WITH HEALTH, everything is a source of pleasure; without it, nothing else, whatever it may be, is enjoyable. It follows that the greatest of follies is to sacrifice health for any other kind of happiness; whatever it may be—for gain, advancement, learning, for fame, let alone, then, for fleeting sensual pleasures," advised Arthur Schopenhauer.

State Defeats Old Gold, 14-6

Statistics meant nothing in Terre Haute's Memorial Stadium Saturday when DePauw dropped its last ICC game of the season to Indiana State, 14-6.

The Bengals compiled an edge in rushing yardage, first downs, total yardage, and number of plays. But State held the visitors scoreless in the last three periods while rallying for two third-quarter touchdowns.

By losing DePauw fourth place in the ICC and finished fifth at two wins and four losses. Against all competition the Tigers have split even in eight contests.

The victory was State's first in seven games and first in the conference. With Ball State succumbing to Evansville, the Sycamores deadlocked the Cardinals for sixth on identical 1-5 records.

DePauw opened the scoring midway in the first quarter after guard Bob Fink intercepted a toss by State's Wayne Gruber and returned to the State 37-yard line.

In six plays the Bengals were down to the six, but a holding penalty set them back to the 23 before quarterback Morrie Goodnight hit halfback Art Bryant with a TD pass.

ONLY TWO CHOICES

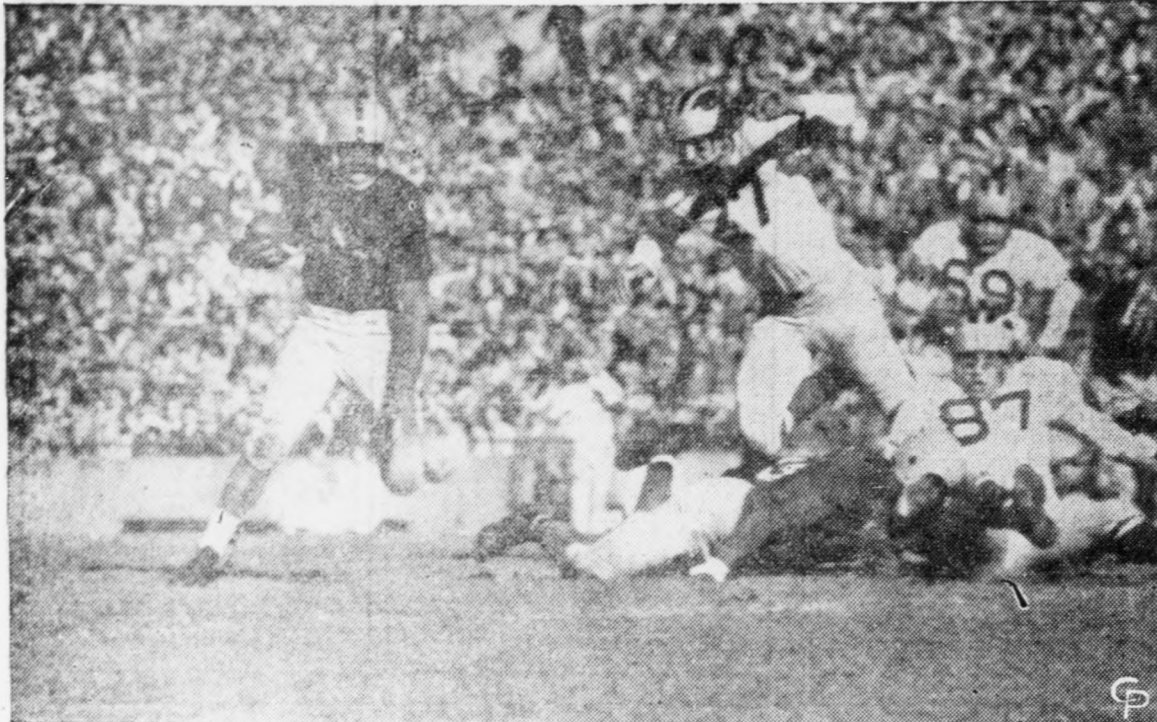

MINNEAPOLIS, Nov. 7 — (UP) — British philosopher Arnold Toynbee told a crowd of thousands Sunday night, that mankind has only two choices — "mass suicide" or "living together as a single family."

He predicted that man would save himself through a worldwide "social fusion of all the tribes, nations, civilizations and religions of man."

The only alternative to living in such a united world, Toynbee said, is "self-destruction of the human race."

A crowd of estimated at 6,000 jammed the University of Minnesota's Northrop Auditorium to hear Toynbee. The university found space for 1,800 others in four other halls, but had to turn 3,00 away.

ILLINOIS DEALS MICHIGAN FIRST LOSS

Illinois halfback Harvey Jefferson (No. 28) rips off 7 yard gain and first down before 59,968 at Champaign, Ill. Illinois dealt Michigan its first loss of the year 25-to-6 and dropped Michigan from the Big Ten lead.

INTERCEPTION HELPS MARYLAND WIN 13-0

Maryland halfback, Healy (No. 23) is shown just about to intercept an L. S. U. pass as L. S. U. center Graham moves in. Maryland went on to win 13-to-0 before 37,000 at College Park, Maryland and remain undefeated.

Those NEW
GAS
ranges
**BROIL
BETTER**

But still cost—

**LESS TO BUY
LESS TO INSTALL
LESS TO OPERATE!**

The proof of the steak is in the eating! And, there's just no way to duplicate the flavor of steak or anything else that's broiled in a modern, automatic GAS Range. There's nothing like that flame-kissed flavor that you get only with modern gas broiling.

Only GAS gives you smokeless broiling... because the flame consumes the smoke. With GAS broiling you keep your broiler door shut... not open, as with other ranges allowing smoke, heat and fumes to escape into the kitchen.

The cost is amazingly low, too... with all of the plus features of new, modern automatic GAS ranges, they actually cost less to buy, less to install and less to operate. Only GAS gives you more... for less!

**OLD STOVE
ROUND-UP
TIME!**

**TRADE NOW...

YOUR DEALERS!**

It's Better... It's GAS

FINISH THIRD

After losing only one meet all season, DePauw's cross-country team finished third behind Ball State and Valparaiso in the conference competition yesterday in Indianapolis.

The harriers of Coach Bob Harvey also took fourth in the Little State affair and tied for sixth in Big State. All three meets were run simultaneously on the South Grove course.

Ball State's defending champions repeated in the ICC with 24 points, followed by Valparaiso, 53; DePauw, 58, and Butler, 92. The Cards scored 41 points to successfully defend their Little State title, with Valpo second at 57. Next in order came Han-

over, 91; DePauw, 92; and Wa-bash, 96.

Big State leaders were Notre Dame, 29; Indiana, 42; Ball State, 94; Valparaiso, 146; Han-over, 149; and DePauw and Wa-bash, 154 each.

Bill Blake led DePauw runners with a third in the conference race, which was won by Don Schroeder of Valpo. Ball State's Bob Mullen took second.

Other Bengal competitors in the ICC meet were Dick Hershberger, eighth; Ron Young, twelfth; Gerry Herrmann, seventeenth; Dave Clark, eighteenth; Duane Osborn, nineteenth; and Scott Wycoff, twenty-fifth.

John Owensby, former Butler star now running for Hanover, topped first in Little State, and Wabash's Grant Van Horn was runner-up.
